Dear Tina,

I hope this letter finds you well.

As I recently looked back through the history of Family First, your name and the impact of your work stood out immediately. I wanted to personally thank you for the incredible leadership, dedication, and heart you poured into this program.

Your contributions went far beyond writing grants that secured vital funding. You were deeply involved with the families we served, investing your time, compassion, and leadership where it mattered most. Because of your commitment, countless single-parent families were encouraged, supported, and positively impacted.

I don't know if you ever received the recognition you truly deserved, but I want you to know that your legacy is seen, valued, and deeply appreciated. The foundation you helped build continues to make a difference today.

Thank you for everything you did for Family First. Your hard work, passion, and service will not be forgotten.

**Thank you,**

*Carolyn Yancey*
